# NFB EVENTS

At NFB, our aim is to help our members build prosperous businesses and create optimal conditions for the construction industry.

By hosting a range of **events throughout the year** we aim to connect, celebrate and educate our members and industry professionals. Our numerous **award ceremonies** recognise influential and exceptional individuals and companies within the construction sector, whilst our **conferences & summit act as educational networking events**.

## UPCOMING EVENTS

- **The Construction Summit**  
20th April 2023 (180 in attendance)
- **Construction Awards of Excellence**  
20th April 2023 (250 in attendance)
- **Heritage and Traditional Build Conference**  
September 2023 (70 in attendance)
- **Top 100 Influential Women in Construction**  
4th October 2023 (300+ in attendance)

**We believe there is power in personal exchange and our events provide the opportunity to do exactly that.**

As an NFB event sponsor, you'll get FREE tickets to our events and the opportunity to network and engage with the leading construction organisations and suppliers to the construction sector.

**To name just a few companies in attendance; Henry Boot, Lindum Homes, Kier, Multiplex, Persimmon, Bloor Homes, Thakeham, McLaren, Stepnell and Interclass.**

With hundreds in attendance at our events, they provide the opportunity to build a presence and converse with distinguished, prominent and influential representatives. Set the foundations for lasting, valuable relationships for our sponsors with highly reputable organisations within all corners of the construction industry.

***Whilst LinkedIn is a fantastic networking platform, nothing will ever trump meeting in person!***

**Katie Hathaway**, Head of Business Engagement and Communication at AccXel

# SPONSORSHIP OPPORTUNITIES

We offer a variety of sponsorship opportunities, depending on the style of event, all designed to give you maximum exposure to relevant figures and organisations.

For our *awards*, there is a **principal sponsor opportunity** and also an individual award sponsorship option.

For our *conferences and summits*, we offer **four levels of sponsorship packages**, allowing you to select the option which suits your strategy and budget.

Additional to networking opportunities, each sponsor will feature in promotional materials, running up to the event and post event follow-up to maximise their sponsorship. As **the construction industry's longest established trade association**, you'll benefit from significant exposure to an engaged and loyal audience.

**Turn our opportunities into  
your opportunities to build on your business**
